Summary

As a student of a comprehensive full-stack boot camp, I bring a fresh perspective, coupled with hands-on experience to create efficient and user-centric web solutions. Passionate about leveraging technology to create impactful solutions, my boot camp training has equipped me with proficiency in front-end and back-end technologies such as HTML, CSS, JavaScript, React, Node.js, and databases like MongoDB.

I thrive in collaborative environments and possess a drive for continuous learning, always seeking to expand my skill set and stay updated with the latest industry trends. I'm excited to apply my knowledge and dedication to contribute effectively to a dynamic team, leveraging my problem-solving skills to drive innovation and deliver high-quality, scalable solutions.

I'm actively seeking opportunities to grow and contribute in a role where I can develop my skills, add value, and further evolve as a versatile front-end or full-stack developer. Let's connect and explore how I can bring enthusiasm, dedication, and a fresh perspective to your team.

Experience

Career transition

Ironhack

Sep 2023 - Present (5 months)

In the process of switching careers to become a Web Developer. I'm enthusiastic about learning and applying modern technologies to create user-friendly web applications. With a background in React, JavaScript, TypeScript, HTML, CSS, Git, GitHub and API, I'm eager to contribute to dynamic teams and take on new challenges in the tech industry. Let's connect and discuss how my evolving skills can add value to your company and projects!

CEO

Elite Surfing

Mar 2010 - Present (13 years 11 months)

A few years ago, the company's production rights were transferred to a third-party entity concurrent with my relocation to Portugal. Presently, I am actively receiving royalties resulting from these sales.

Previously I was responsible for:
- led the company's strategic vision and growth in the surfing industry.
- supervise end-to-end operations.
- drive innovative product development and management.
- market expansion initiatives, fostering a culture of excellence.

Production Manager

PLP Importação e Exportação Ltda

Nov 2005 - Jan 2010 (4 years 3 months)
The company was responsible for importing, distributing, and manufacturing sports accessories for brands: FCS, Creatures of Leisure, Gorilla Grip, and Bullys.

As a production manager, I was responsible for:
- The entire production cycle for the Bullys brand, from inception to delivery.
- Recruitment processes.
- Creation of a comprehensive range of surfing accessories, encompassing covers, leashes, decks, and a variety of related items.
- Productivity reports.
- Production costs.

Chief Executive Officer

International Surfing Company South América Ltda.

Jan 2000 - Jul 2005 (5 years 7 months)
- License for the commercialization of the Australian brand WET DREAMS (surf accessories), exclusively throughout South America.
- Importation and distribution, operating along the entire coastal region of the Brazilian territory

General Assistant

Wet Dreams Austrália

Feb 1999 - Nov 1999 (10 months)
General Assistant of the entire production line and quality control.

Education

Ironhack

Full-Stack Web Developer Program (Certified Program), Information Technology

Sep 2023 - Mar 2024
An intensive on-site course to attain certification as a full-stack developer, leveraging frontend expertise with comprehensive backend skills named Web Development Bootcamp.

I have acquired key skills and built several projects using:
- HTML, CSS
- JavaScript (ES6)
- React JS
- TypeScript
- Git, GitHub, Terminal
- ExpressJs, NodeJs, Mongo DB, or Axios.

Additional competencies gained:
- Software Development
- Technical Requirements Analysis
- Coding Standards Adherence
- Problem Solving
- Strong Organizational Skills
- Effective Communication
- Collaborative Teamwork

- Analytical and Research Skills
- Responsive Web Design
- Application Programming Interfaces (API)

Universidade São Judas Tadeu

Bachelor's degree, Business Administration and Management, General
2002 - 2007
